I am opposed to the construction of the Atlantic Coast Pipeline. It is an unneeded project that will only benefit the economic interests of Duke and Dominion, while imperiling one of your state's most valuable resources-it's coastline environment and all whom live there.

I am also highly concerned that the citizens of Robeson, Cumberland, and Johnston Counties have not been provided public hearings on this project.

Please HONOR YOUR DUTY AS PUBLIC OFFICIALS to safeguard the common good and stop this dangerous and irresponsible project.

Sincerely,

Catherine Fowler
